

Trinity Tree Mortality:

Why are my trees dying and what can I do about it?

Tuesday, December 8th, 2015
Weaverville Fire Hall
125 Bremer St, Weaverville
6:30 – 8:00 pm

Sponsored by:
UC Cooperative Extension
CalFire
Trinity County RCD

We've all noticed the large numbers of dying pine and fir trees. If you're a landowner who would like to learn more about what's causing the tree mortality, recommended methods and timing for removing dead/dying trees, and what resources are available to help you, please plan to attend this free, informative workshop.

Topics & Speakers:

Insects, Disease & Drought: Factors that affect forest health, recommendations for methods & timing to remove dead/dying trees – Don Owen, Entomologist, CalFire

CalFire Regulations & Assistance: Drought-related forestry regulations (including new drought mortality exemption) and potential funding assistance – Dan Dresselhaus, CalFire

USDA Assistance: Natural Resource Conservation Service forestry assistance – Carrie Nicolls, NRCS Forester

Trinity County Resource Conservation District: Services & projects to assist landowners – Shiloe Braxton, TCRCDD District Manager

Watershed Center: Services & projects to assist landowners – Dave Jaramillo, WRTC
